

ELITE ATHLETE FUNDING APPLICATION TOWED WATER SPORTS

Elite Athlete definition [BC athlete competing at a national level]

The scope of this program is to help athletes with funding for expenses not normally covered by their discipline representative. [I.E. Travel, Accommodation, Training, exc.]

Funding comes from yearly fees normally paid by clubs to WSWBC. These funds are reallocated to this program. If funds are not used in that calendar year they will be rolled over and added to the following year for distribution.

All applicants must be a member of WSWBC.
All applications must come through your local club presidents.
[Application forms will be provided to club presidents]

All applications must be in to WSWBC by Sept. 30 of that calendar year.

The executive will review all applications at their October budget meeting and disperse funds at that time.
